Over 500 Enterprises Rely on Jasper IoT Platform

CONSUMER ELECTRONICS

AUTOMOTIVE / FLEET

SECURITY

ENERGY / METERING

POINT OF SALE

REMOTE SERVICE

MEDICAL

Best Way to Get Started

1. Work with your local operator (SingTel) to see how they can help
2. Get a Developer Kit
3. Run pilots and proof-of-concepts

Don't be afraid to use expert partners – this is lots to learn and they can save you significant time and expense

Thank you
